

TVDSB Roadmap for School Improvement

School: Date:

Members of SIT:

REFLECT: What did we find? (Reflect on the learning)

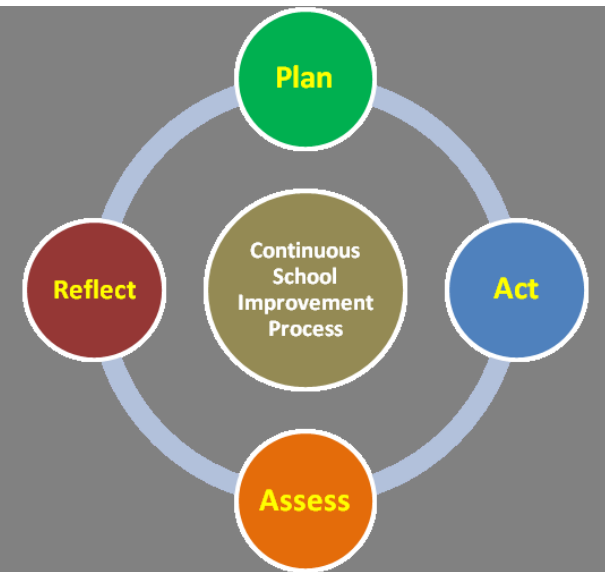

Changes in Student Achievement (What did you learn about your students?)

Changes in Instructional Practice (What did you learn about your practice?)

PLAN: What will be the focus of our learning? (Based on review of Data Inventory and/or student achievement data)

School Improvement Goals

Which BIPSA objectives align with your goals?

ACT: What will we implement and evaluate? (Strategies and Success Criteria)

Identify strategies to be implemented in classrooms at:
-Grade level, or
-Division level, or
-Department level

(see BIPSA, SEF and curricular expectations for examples of strategies)

Identify success criteria and evidence to be collected (How will you determine effectiveness of strategy?)

Identify required resources and professional learning to support the implementation of the strategies

ASSESS/OBSERVE: How are we doing? (Review qualitative & quantitative data related to success criteria)

Outcomes or Impact of Strategy on students

Staff experiences with the Implementation of the Strategy
